

2010 Club Leadership Education

at the

2010 Midwinter Conference/Key Leader for Adults

The Club Leadership Education (CLE) provides Presidents and Secretaries – new and experienced – with the tools for successfully completing their responsibilities as a Club Leader. You will be meeting with other clubs leaders and District officers to share ideas and concerns while learning how to overcome the challenges you will face. Your club being represented at Club Leadership Education (CLE) training sessions is also part of the 2010-2011 Achievement/Distinguished program.

Whether you are an experienced club leader or newly elected, you will find Club Leadership Education worth the time spent. Presidents-elect, Vice Presidents, Treasurers, and Board of Directors are also encouraged to attend the training session. This session is open to all Kiwanis members.

Training and materials are Free of Charge

To be held in Conjunction with the Green Bay Midwinter Conference
