

KIWANIANS DRIVE HOME THE MESSAGE THAT YOU CARE

There's no doubt that Kiwanians care about children. Still, you can drive that message home for everyone to see.

On February 12, 2010, the Wisconsin-Upper Michigan Kiwanis Board of Trustees voted to partner with the Celebrate Children Foundation and the Michigan Children's Trust Fund in support of their license plate fundraising efforts.

By choosing a Wisconsin Celebrate Children or Michigan Children's Trust Fund special license plate, you make a lasting contribution to ensure healthy and happy early experiences for young children. Your purchase of one of these special license plates supports investments in our most valuable resource: our children. The investment helps ensure that all children experience optimal early childhood development in a safe and secure environment, so they can ultimately reach their full potential.

It's easy to get started! Simply download one of the following application forms and take it to any Department of Motor Vehicle location in Wisconsin or to any Michigan Secretary of State's Office. Get your license to care today!

In Wisconsin: www.celebrate-children.org/plates

In Michigan: www.michigan.gov/ctf
