8:15 - 9:15 **Workshops** (5 workshops)

- **Building Your Club Web Site** - Learn the basics of registering a domain name, purchasing hosting and building a functional web site for your club - Tonya Alling
- **Online Computer Resources** - Find out where the good stuff is hiding on the International and District Websites - Mark Finger
- **Membership Growth - Planning Your Club's Success!** - Nobody plans to fail, they just fail to plan. Put a SMART plan in place for your club's membership growth this year - Stephanie Ursini
- **Leadership Development** - Our District Officers are in place to assist you and your club. Do you have questions about Lt Governor and Trustee duties /activities? Do you have ideas, and/or suggestions, about our District Leadership Positions? Visit our workshop for answers and to voice your opinion. We are interested in what YOU have to say! - Lyle Plagenz, Kathy Vorpahl
- **Kiwanis Beyond Your Community** - Kiwanis is a complex organization with many facets beyond our local clubs. There are challenges, opportunities, responsibilities and needs to understand at all levels (Division, District, International) as well as (SLP) Service Leadership Programs, foundations and many other leadership, service and participatory opportunities. Come and discuss what they are, where they are and how you might participate and serve. - Jean Long Manteufel
